

TOUT-EN-ROND

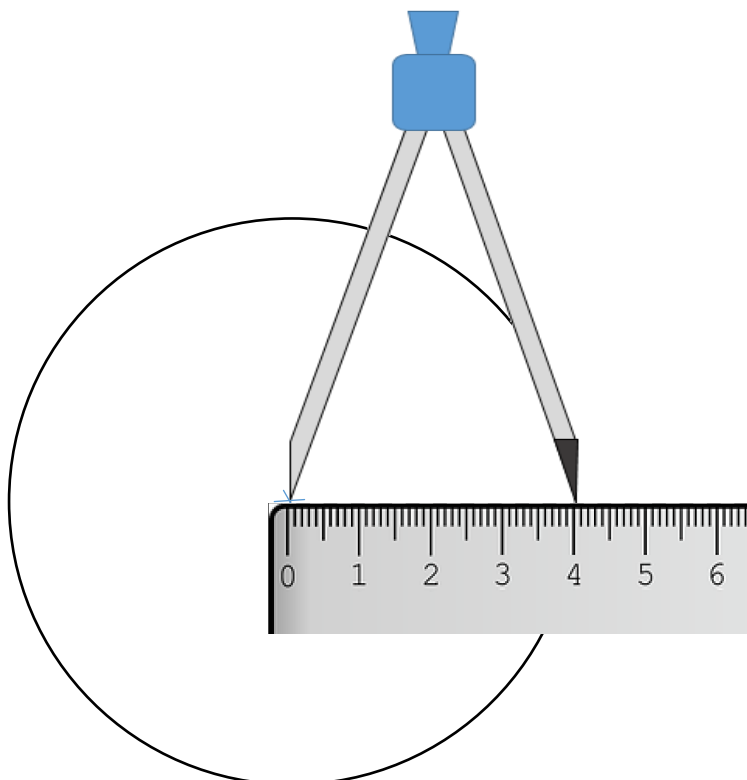

Fichier classe

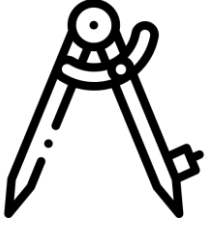

Fichier de modèles pour la classe.

- ⇒ Tu refais dans ton cahier ou sur une feuille blanche les modèles.
 - ⇒ Si tu n'as pas la mesure, tu refais la même en reportant avec ton compas.
 - ⇒ Quand les cercles ou les demi-cercles ont des numéros, fais-les dans cet ordre.
 - ⇒ Tu peux refaire plusieurs fois jusqu'à ce que le dessin soit comme le modèle.
-

COMMENT FAIRE UN CERCLE?

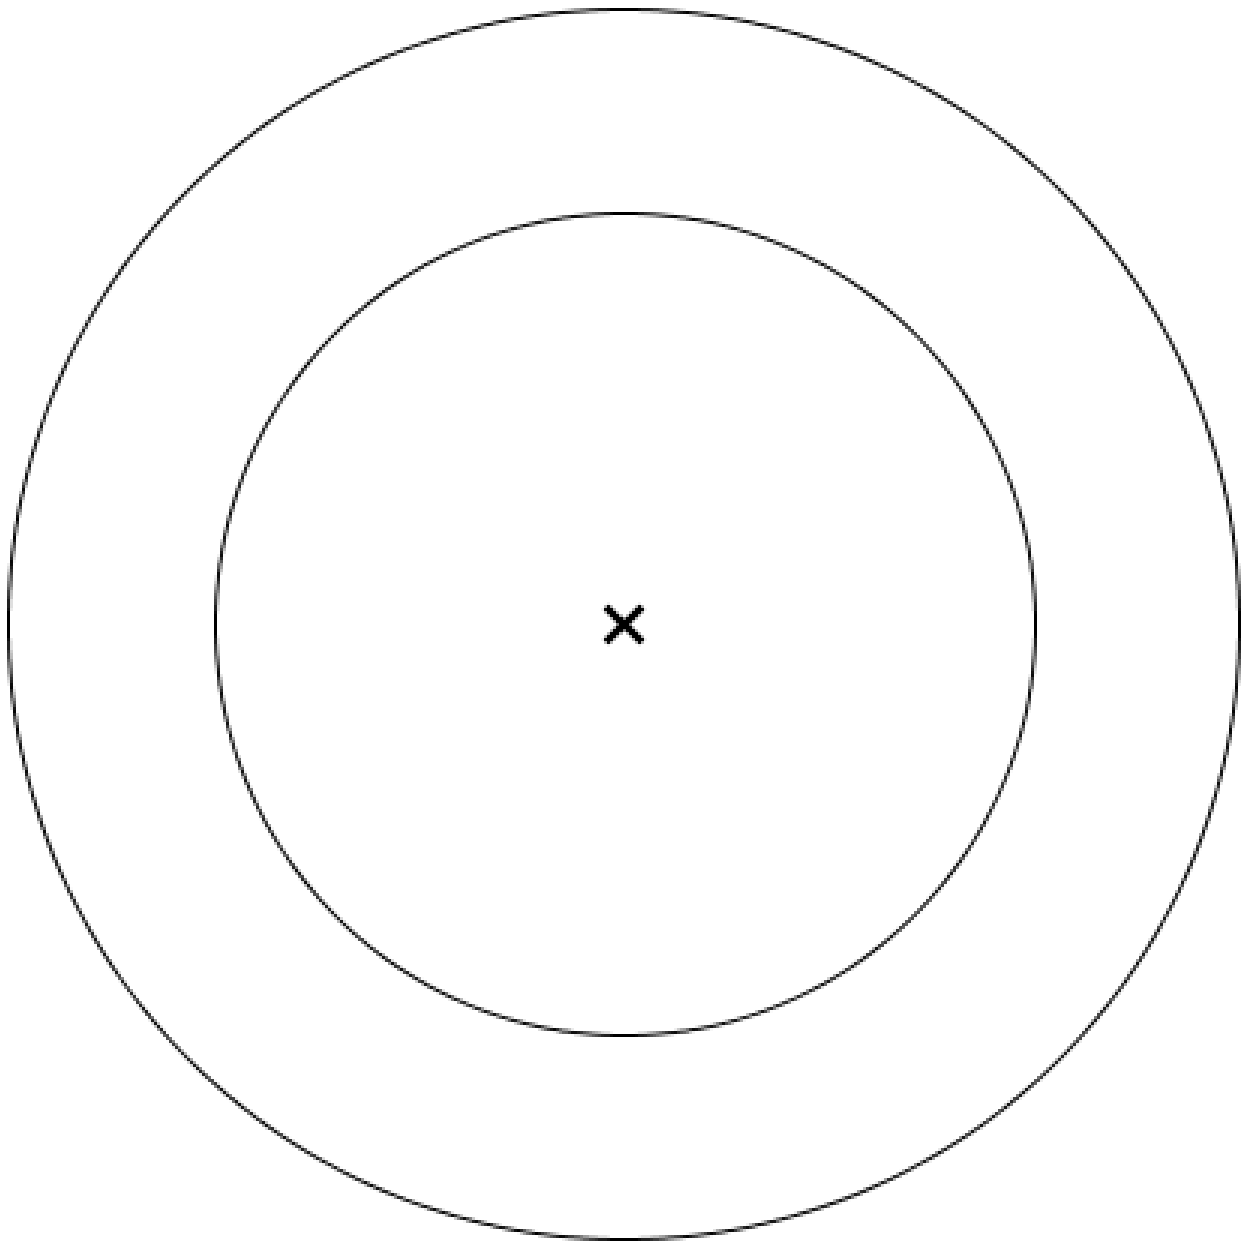

La pointe du compas est fixée sur le point qui est le centre du cercle.
